*As directors who've had our documentary work premiere at Cannes and Sundance, we wanted to be sure that our first narrative feature was landing in the right hands for sales and distribution. Luckily, we connected with Slated at just the right moment. Our high Screening Score yielded multiple sales offers in a matter of weeks, and ultimately matched us with the absolute perfect sales partner.*

— Rebecca and Josh Tickell, Writer/Directors

*Thanks to Slated's Screening Analysis, we discovered DOMINO: BATTLE OF THE BONES, acquired it and gave it a targeted theatrical release. We couldn't be more thrilled.*

— Marcy Hamilton, TriCoast Worldwide
